

adequate justification is documented. The following are examples where the nepotism provision may be waived:

(1) If there are no other persons eligible and available for participation or employment by the Native American grantee;

(2) Where the Native American grantee's total service population is 2,000 or less, or where the geographical situation of an Indian or Native American community is rural and isolated from other communities within the designated service area; or

(3) Where the potential participant has a history of unemployment or dependence on public assistance.

(b) A Native American grantee may develop its own nepotism policy in lieu of the policy in paragraph (a) of this section. The Chief, DINAP, shall review any such policy before its implementation and shall approve or disapprove it. Any such policy shall be described in the Master Plan and have adequate safeguards to prevent persons employed in an administrative capacity for the Native American grantee, its subgrantees or contractors from using such position to secure JTPA services or other benefits for a member of his or her immediate family. A satisfactory policy shall include the following minimum criteria:

(1) All formal personnel procedures shall be followed;

(2) There shall be full written disclosure to the governing body describing all advantages, conflicts and/or disadvantages which may result from the specific personnel action; and

(3) No member of the immediate family of the applicant shall participate in the applicant's selection.

(c) For purposes of this section, the term "immediate family" means wife, husband, son, daughter, mother, father, brother, and sister. The term "staff position" includes all JTPA staff positions funded under the Act such as instructors, counselors, and other staff involved in administrative, training or service activities. The term "employed in an administrative capacity" includes those persons who have overall administrative responsibility for a program including: All elected and appointed officials who have any responsibility for the obtaining of or approval

of any grant funded under this part as well as other officials who have any influence or control over the administration of the program, such as the project director, deputy director and unit chiefs; and persons who have selection, hiring, placement or supervisory responsibilities for participants in a Native American employment and training program. The term excludes officials of entities belonging to a consortium who are not at the same time officials of the consortium. Persons serving on a Native American grantee's advisory councils or PIC shall not be considered to be in an administrative capacity.

**§ 632.119 Political patronage.**

(a) No Native American grantee, subgrantee or contractor may select, reject, or promote a participant based on that individual's political affiliation or beliefs. The selection or advance of employees as a reward for political services or as a form of political patronage, whether or not the political service or patronage is partisan in nature, is prohibited.

(b) There shall be no selection of subgrantees or contractors based on political affiliation.

**§ 632.120 Political activities.**

(a) No program under the Act may involve political activities.

(b) No participant may engage in partisan or nonpartisan political activities during hours for which the participant is paid with JTPA funds.

(c) No participant may, at any time, engage in partisan or nonpartisan political activities in which such participant represents himself or herself as a spokesperson for the JTPA program.

**§ 632.121 Lobbying activities.**

No funds provided under the Act may be used in any way:

(a) To attempt to influence in any manner a member of Congress to favor or oppose any legislative or appropriation by Congress; or

(b) To attempt to influence in any manner State or local legislators to favor or oppose any legislation or appropriation by such legislators.
